Personalize Your Garage

Exterior light fixtures, decorative hinges and other accents can upgrade the style of your garage. We carry a variety of exterior accessories to match every design, taste and budget.

Doors Customize the look of your garage door to increase curb appeal. Choices include steel raised/steel flush, fiberglass, insulated/non insulated, and windows for your attached or detached garage. Consider additional exterior doors for convenient access to your property.

Openers Make your garage more functional with a garage door opener. Choose from belt drive, chain drive and screw drive systems. Look for openers that offer more performance and safety and security features. The right opener can make the difference.

Windows When choosing your garage plan, consider bringing more light into your garage with windows. Depending on how you plan to use the garage, natural light may be important. You can add windows to your garage doors or to walls to add design as well as light.

DEAR CUSTOMER: Our policy is to provide customer satisfaction. We promise to make every effort to have sufficient advertised items to meet expected customer demand. However, if an advertised item is not available due to unforeseen reasons or space limitations, we will be pleased to either provide a "rain check" or substitute a comparable quality product whenever possible. Some products may not be exactly as shown. We aim for accuracy, but occasionally an error occurs. Any changes that have occurred will be posted in our store to bring it to your attention. The photos shown in this publication are for design ideas only. Before starting any building project, visit your local **TIMBER MART** and check with your local by-law officer to ensure that your design meets the local building code. You may also require a building permit. **ALL SALES PRICES CASH & CARRY.** At **TIMBER MART** we are committed to providing our customers with the Best Values everyday. Our huge volume buying power allows us to buy many products direct from the manufacturer and bring our customers the lowest possible price. All Pressure Treated product reference in this flyer refers to "green" product only. **NOT ALL ITEMS CARRIED AT ALL LOCATIONS. WE RESERVE THE RIGHT TO LIMIT QUANTITIES.**

Repairing Or Building A Deck

Make sure it's safe and strong by using the proper hardware

Secure beams and joists of your deck with a variety of LUS joist hangers and Strong-Drive® Connector Screws by Simpson Strong-Tie. The LUS joist hangers are designed to provide support underneath the joist, rafter, or beam of your deck for a strong connection. To select connectors rated for outdoor use – look for ZMAX® (G185) or stainless steel. The Strong-Drive® SD Connector Screws are designed to replace nails; mechanically-galvanized for exterior conditions and work with Simpson Strong-Tie® connectors to make deck building stronger and easier.
